DAY 1 (D)

Our flights arrive into **Adelaide** early afternoon where we leave the hustle and bustle behind and head for the taste sensations of the **Barossa Valley** on our opulent **'Diamond Class'** coach.

3 Night Stay: Novotel Barossa Valley Resort ★★★★★

DAY 2 (B,L,D)

We start our day at the majestic **Chateau Tanunda**, the largest and oldest chateau in Australia, taking a tour of this beautiful estate, its vineyards, winemaking area and barrel hall. Our next stop is the **Maggie Beer Farm Shop** where we settle down to enjoy a **private cooking demonstration** that will add some Maggie flare to our home-cooking. Learn the history of the farm, sample the dishes cooked and enjoy a tasting of the vintage wines and ciders. After lunch at **The Farm Eatery** there's time to browse through the shop and enjoy the country atmosphere. Later, our afternoon takes us to **Mengler's Hill lookout**, the famous **Herbig Family Tree**, and the intriguing **Whispering Wall** at the **Barossa Reservoir**.

DAY 3 (B,L,D)

Aside from hosting many of Australia's most recognisable wine brands, the Barossa offers a rich cultural heritage, flawless scenery and plenty of genuine country hospitality. Located on the 'Western Ridge' of the Barossa Valley, **Seppeltsfield** combines over 420 acres of vineyard, gardens and heritage-listed architecture. The estate is surrounded by a small settlement - named Seppeltsfield itself - and some of the most picturesque landscapes to be found in the region. Our **guided tour** takes us behind the scenes to look through the estate's treasure trove of historical buildings. We learn the Seppelt family history, enjoy a tasting and discover the Homestead verandah, Elm Walk, distillery and underground blending cellar. For lunch we picnic in the grounds feasting on a platter of delicacies from across the Barossa. To finish off our foodie experience today, we stop in at **Barossa Valley Chocolate Company** to pair the region's wines with their decadent chocolates.

DAY 4 (B,MT,L,D)

We start our day with a visit to the **Barossa Chateau** nestled in a beautiful garden boasting over 30,000 roses. Here we explore the estate, gardens and collection of art and antiques on a guided tour, before enjoying morning tea in these stunning surrounds. Leaving the **Barossa Valley** behind we continue on to the quaint Bavarian village of **Hahndorf**. Discover the original 'Fachwerk' buildings, many beautifully maintained or restored to original conditions before we indulge in a **German-themed luncheon** at the Hahndorf Inn. Our afternoon takes us into the **Fleurieu Peninsula**.

1 Night Stay: New Terry Hotel & Golf Resort, Wirrina Cove ★★★★★

DAY 5 (B,L,D)

Taking an early ferry from **Cape Jervis** to **Penneshaw** on **Kangaroo Island** we meet our local guide and begin our island nature experience. At **Raptor Domain** we experience an **'In-Flight' Australian Birds of Prey Display** and meet an array of Australian birds and raptors including Wedge Tailed Eagles, Osprey and Sea Eagles. For lunch we break at **Emu Ridge Eucalyptus Distillery** for a fresh Marron salad, and then continue on to spectacular **Seal Bay Conservation Park** for a memorable **guided walk** along the beach which is home to a healthy **Australian sea lion colony**.

2 Night Stay: Mercure Kangaroo Island Lodge ★★★★★

***This accommodation has not been affected by the bushfires.*

DAY 6 (B,L,D)

This morning we travel to the western section of the island and discover the remarkable **Flinders Chase National Park**. At **Cape du Couedic** we see at close range some of the 10,000 healthy long-nosed **fur seals** in their colony, then discover the intriguing **Remarkable Rocks** and **Admirals Arch**. After lunch we make a visit to **Emu Bay Lavender Farm** to learn about their lavender production, then stop in at **Clifford's Honey Farm** to see Ligurian bees in their hives, learn about the extraction process and taste some of the golden nectar including Honey Mead. Tonight we dine at the first Chef Hatted restaurant on the island, **Sunset Food and Wine** enjoying elevated 180 degree sea views of the Eastern Cove and beyond.

DAY 7 (B,L,D)

Our day starts with a stop at **Pennington Bay** before we visit **Cape Willoughby Conservation Park**, home to South Australia's first lighthouse built in 1852. On our tour we discover the areas early role in coastal shipping, colonial trading and passenger transport. Our next stop is **Dudley Wines**, a finalist in the Australian Cellar Door of the Year awards. We enjoy a wine tasting of their premium boutique wines, indulge in a platter lunch using local small goods and produce, and admire the magnificent views from this clifftop cellar door.
