DAY 1 Wednesday 23 December (L,D)

At 11am this morning we depart on the **Tilt Train** from **Brisbane's Roma Street Railway Station**, bound for **Maryborough West Railway Station**. On arrival, we are transferred to **River Heads** to board our ferry to **World Heritage listed Fraser Island**, where we **unpack once** for our Christmas celebrations holiday.

4 Night Stay: Kingfisher Bay Resort, Fraser Island ★★★★★

DAY 2 Thursday 24 December (B,MT,L,D)

Following breakfast this morning we depart via **4WD** on a **full day tour of Fraser Island** including **Lake McKenzie, Wangoolba Creek, Eli Creek, the wreck of the SS Maheno, The Pinnacles Coloured Sands** and the famous **beach highway, 75-Mile Beach**. Fraser Island will teach you all about wide open pristine spaces, unspoiled beauty, lush rainforests, stunning freshwater lakes and the exhilaration

of driving on sand, not monotonous bitumen. Discover the world's largest sand island in our own 4WD, tackling inland bumps and humps through towering Satinay trees, abundant forest and picturesque sand dunes. Shipwrecks and sheltered bays flash by your window but we make sure we stop so you can enjoy the view. To complement our perfect day, join us at the **Jetty Hut** for **sunset drinks** and watch the last of the sun's rays set over the mainland.

***Please note: Tour is not suitable for passengers with neck/back injury as some parts of the journey can be bumpy and jerky.*

DAY 3 Friday 25 December (B,L,D)

Today celebrate **Christmas Day** the Fraser Island way! We all get together for a festive breakfast followed by a free morning to relax or walk along the beach. We gather in the **Grand Ballroom** for a sensational festive feast consisting of fresh seafood and traditional

Christmas selections with the Fraser Island touch. Dinner this evening will be a relaxed affair serving up a light buffet dinner to graze upon whilst enjoying entertainment in the **Maheno Lounge**.

DAY 4 Saturday 26 December (B,L,D)

This morning join an island ranger for the **Butchulla Walking Tour**. On Fraser, the bush provided food and medicine for both the **Butchulla** and early European settlers. Learn how to identify this rich source of Australian food; find out how it can be used in everyday life; and, taste the flavours of the bush. Following our walking tour, it's time to relax before regathering on the Maheno Deck to enjoy a leisurely lunch overlooking the resort lagoon pool. This afternoon we are privileged to have **resort ranger** and **chef** join us for an exclusive **Bush Tucker Talk and Taste**. Tantalise your taste buds with a selection of **unique bush cuisine**

and find out how these foods can be used to enhance most dishes. Ranger presents a selection of foods in their natural and raw state and explains where you can find these foods. Chef will then show us how to use them, share some recipe secrets and present the cooked dishes for us to taste. When the day's exploring is done, it's time to take the taste-buds on a voyage of their own, join us for dinner in the **award winning Seabelle Restaurant** where we dine in style to celebrate our final night together.

DAY 5 Sunday 27 December (B,L)

A leisurely breakfast this morning before checking out from the resort and transferring to **Maryborough West** for our return **rail journey** back to **Brisbane**, scheduled to arrive at 2:50pm.
